

Engineer's Mate – Kings Lynn

We are currently recruiting a mate to support one of our qualified Engineers on the installation of Refrigeration and Air Conditioning units.

As main support to the Installation Engineer, you will be reliable, flexible and enthusiastic. You will take pride in your work, demonstrating an ability to work efficiently to a high quality and in compliance with health and safety requirements. You will be able to communicate effectively with a wide variety of people at different levels and will understand the importance of and be able to demonstrate excellent customer service at all times.

The ideal candidate will have some training in a technical field such as electrical, plumbing or similar. Some working experience within the Refrigeration and Air Conditioning field would be an advantage but is not essential.

Candidates must be based in King's Lynn or its immediate area. Early starts and later finishes will be involved along with occasional working away.

A full valid driving license is essential.

To apply for this role, please complete an application form and submit it to hr@adcock.co.uk. The application form can be downloaded from the careers page of the Adcock website. **Please make sure you include the job title of the role you are applying for in the subject line of any emails that you send us.**

We are an equal opportunities employer
