

Trainee Engineer - Ipswich

We have an opportunity for a trainee engineer at our Ipswich branch.

This is an excellent opportunity for an individual interested in starting a career in the Refrigeration and Air Conditioning trade. The successful candidate will have the opportunity to gain experience in the installation, servicing and maintenance of a wide variety of equipment.

The ideal candidate will possess a minimum of GCSE (or equivalent) Grades A-C in Maths, English and one Science based subject.

A full, valid UK driving licence is essential.

Some working experience within the Refrigeration and Air Conditioning field would be an advantage but is not essential.

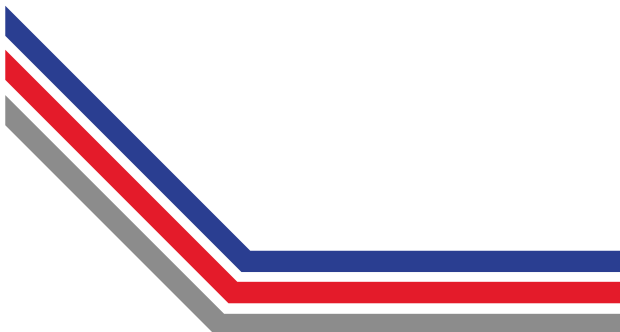

Candidates must be based within reasonable travelling distance of Ipswich, Suffolk and must have their own transport.

Early starts and / or later finishes will be involved as well as ad hoc weekend work. There may occasionally be a need to work away depending upon the requirements of the business. All work is away from the office within customer's premises.

After a period of on-the-job training and experience, the opportunity to train for technical qualifications will be provided for the right candidate through our bespoke Group City & Guilds Training Centre based in King's Lynn.

To apply for this role, please complete an application form and email or post it to us. The application form can be found on the Careers page of the Adcock website. **Please remember to write the job title of the role you are applying for in the subject line of your email.**

We are an Equal Opportunities Employer
